

Schedule Changes

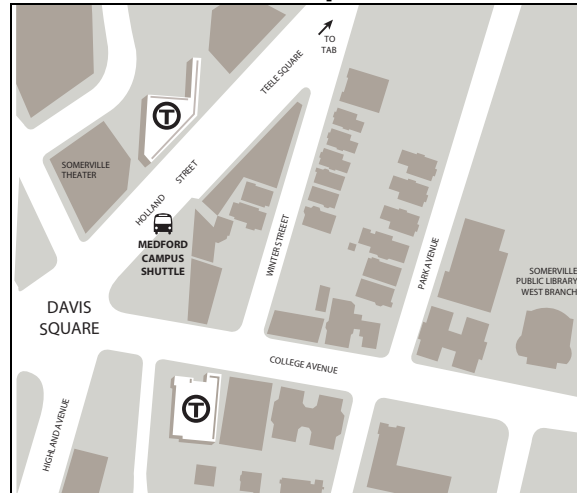

Recently members of the TCU Senate and the Department of Public Safety met on concerns brought forward regarding the Medford Campus Shuttle. In an effort to address the concerns and improve the shuttle service several changes were agreed upon and were effective March 28, 2002.

The changes are as follows:

1. An additional stop will be added uphill at the side patio area of Carmichael Hall across from Wren Hall.
2. On Thursday, Friday and Saturday evenings a second shuttle will run between the hours of 6:45 pm and 11:15 pm. As a result, during those hours a shuttle will depart the Mayer Campus Center every 15 minutes, on the quarter hour.
3. On Sunday through Wednesday nights the last pickup from Davis Square will be at 12:05 am.
4. ~~The Saturday, Sunday and holiday daytime shuttle will start at 12:00 noon (two hours later than the current schedule). This change was repealed based on initial student feedback. The weekend and holiday schedule will continue to start at 10:00 am.~~
5. A new "contact" form has been added to the Public Safety website for comments or suggestions on Shuttle Services. Visit the Administrative Services area of the Public Safety website at the address on the front panel of this brochure.
